**AGURCHAND MANMULL JAIN COLLEGE**

MSc Computer Science
2022-2024

**VEL TECH RANGA SANKU ARTS COLLEGE**

Bachelor of Science in Computer Science
2019 – 2022

**ST.THRESA'S MARTRIC.HR.SEC.SCHOOL**

HSC                        2018 – 2019
SSLC                       2016 - 2017

## SKILLS

**PYTHON**

**MYSQL**

**POWER BI**

**EXCEL**

**BASIC HTML**

## LANGUAGES

- TAMIL
- ENGLISH

## PROJECTS

### Bitcoin Price Predictor

Develop a web application to predict Bitcoin prices using advanced machine learning algorithms, specifically ISTM and boosting techniques.

### Interactive Portfolio using Django

Developed an interactive portfolio website using Django, enabling users to submit and store their contact details (name, phone number, email) in a MySQL database.

### PDF Converter Web Application

This project is a Flask-based web application that allows users to convert PDF files into three different formats: Excel, Word, and Text. It is designed to provide a seamless and user-friendly experience

### Prime Video Dashboard

This dashboard provides a clear, high-level view of Prime Video's offerings, highlighting the platform's extensive catalog, audience appeal, and content trends over time.

### HR Analytics Dashboard

This dashboard provides an in-depth analysis of workforce demographics and key performance metrics for the HR department..

### Health Care Interactive Dashboard

Creating a Health Care Interactive Dashboard in Power BI can offer valuable insights into patient care, resource utilization, and overall healthcare performance.

## CERTIFICATIONS

- INTERNSHIP ON PYTHON WITH MACHINE LEARNING
- DIPLOMA IN COMPUTER HARDWARE TECHNOLOGY
